Profile

Andrew joined Murray Chambers on 1 July 2016 after working as a solicitor for 14 years at Clayton Utz and the Australian Government Solicitor. He has appeared as an advocate in courts and tribunals at all levels of the legal hierarchy in a diverse range of cases including:

- administrative and judicial review proceedings
- social security and child support proceedings
- appeals to the Supreme Court, Federal Court, Full Federal Court and High Court
- veterans' entitlement and military compensation proceedings
- workers' compensation and personal injury proceedings
- anti-discrimination and sexual harassment proceedings
- disciplinary matters (especially those involving tax agents and health practitioners)
- intellectual property proceedings
- privacy and freedom of information matters.

Andrew has a computer science degree and was the national leader of the Australian Government Solicitor's media and communications network. He has provided complex advice on a wide range of intellectual property, cloud computing, Web 2.0, 'image rights' and other emerging technology issues.

Andrew is also a gifted public speaker and has written a number of articles that have been published in some of Australia's leading legal publications.
